ORDER NO. 1550

IN THE MATTER OF:

COMPANY for Certificate of Public)

Perform Special Operations - Oxon)	
Hill)	Docket No. 319

By Order No. 1534, served April 12, 1976, the Commission granted the request by Suburban Transit Company (Suburban) for a postponement of the public hearing scheduled by Order No. 1518, served March 15, 1976, rescheduled the public hearing to commence May 10, 1976, and continued the date for filing the exhibits required by Order No. 1518.

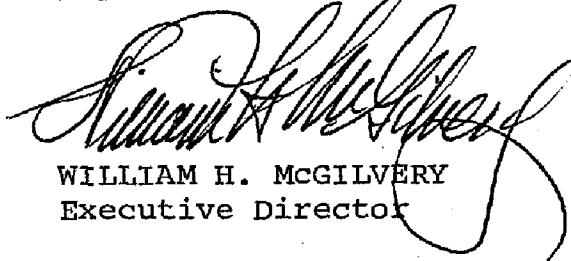

On April 30, 1976, the Washington Metropolitan Area Transit Authority (WMATA), a formal protestant to Suburban's application, filed a motion for postponement of hearing for a 30 day period. The basis for the requested postponement is Suburban's failure to file the required exhibits on or before April 28, 1976. The postponement apparently would be necessary to afford the protestant adequate and sufficient opportunity to analyze the exhibits prior to the public hearing. The required exhibits have not been filed.

Pursuant to the provision of Rule of Practice 7-06, the public hearing will be postponed and the date for filing the exhibits will be extended.

THEREFORE, IT IS ORDERED:

1. That the motion for postponement of the public hearing filed by the protestant Washington Metropolitan Area Transit Authority be, and it is hereby, granted.
2. That the public hearing scheduled by Order No. 1534, served April 12, 1976, to commence May 10, 1976, be, and it is hereby cancelled.
3. That Application No. 918 of Suburban Transit Company be, and it is hereby, scheduled for public hearing to commence Tuesday, June 8, 1976, at 9:30 A. M., in the Hearing Room of the Commission, Room 314, 1625 I Street, N. W., Washington, D. C.
